Turbocharge your retail sales, be more efficient in how you work and create an outstanding shopping experience that helps transform shoppers into loyal customers.

It all becomes possible when you choose **PiiComm Mobility Solutions**—engineered for success and tailor-made for your retail businesses.

Don't settle for incomplete solutions!

You have a lot at stake in running a successful retail operation, so it pays to choose a trusted technology company with the capacity and know-how to offer a full range of mobility support, powered by the latest hardware and software.

With PiiComm, you get more than just a solution that integrates handhelds and desktops with RFID, real-time inventory and asset management, barcode scanning and printing. You gain more than just the convenience of our signature **JUMP pay-as-you-go plan**, designed for sensible support to your growing operation. You also get the peace-of-mind of having PiiComm's unsurpassed customer care working for you and for your retail operation.

The result? You spend your time building your business and engaging your growing clientele with convenient, reliable, always-on mobile solutions, backed by industry-leading support.

We look after building and maintaining the systems and support to make all of that happen—and we do so seamlessly...the way a true mobility retail solution **should** work for **you!**

The PiiComm advantage. Preloaded. Always.

The exclusive advantages of PiiComm are built into every mobility solution we offer to retailers. No conditions. No exceptions. Solid performance every time, every where.

Point-of-Sale Simplicity.

With integrated software, hardware and service into a single PiiComm-powered mobile device, you can assist customers with a full range of services—from product information to checkout—anywhere in your store.

Customer-Empowered Shopping Assistants.

Introduce more products and more buying opportunities to your customers in less time. PiiComm-powered Shopping Assistants provide instant access to product pricing, in-store promotions, complementary items, product location and more!

Convenient Self-Service Kiosks.

Help your customers quickly make the decision to buy, thanks to a range of customized mobile self-service options, including price checking, product comparisons, gift registries, ship-to-home options, and loyalty point queries!

Inventory Management and RFID asset tracking.

Ensure your retail products are in the right place at the right time with fast and accurate inventory management. PiiComm's solutions expedite the process for filling orders, receiving and tracking new products. With the right tools, you can quickly replenish the sales floor, automatically generate pick lists, enhance workflow, prevent loss, reduce shrinkage and excess inventory.

Front-of-the-line support.

[Our Mobile Service Desk](#) offers comprehensive coverage and support for all your mobile devices. You gain front-of-the-line support on all your [PiiComm-powered Motorola devices](#) including direct-line care from the manufacturer. That's valuable peace of mind you can count on.

Find out more!

Discover how PiiComm-powered mobility solutions can send your sales skyward, **empower** staff and customers and **optimize** your retail space—both on the sales floor and in the warehouse.

PiiComm business mobility experts are waiting for your call **today** at (888) 844 2007.

Leading Technology Partners

PiiComm Inc. is proud to partner with industry leaders of mobile hardware and software.

"I like the no bull approach PiiComm takes. If I need a quote, I get it within the hour and they don't try and sell me products our company doesn't need. It's obvious PiiComm has a really strong working relationship with their suppliers. We benefit in multiple ways from price to customer service. PiiComm goes the extra mile to earn your business, time and time again."

—Tom Hickey,
Giant Tiger

"Delighting the Customer seems to be PiiComm's mission. We've had the pleasure of working on very large and very small projects with PiiComm and they consistently prove their value."

—Shawn Winter,
Motorola

"Throughout the implementation of our solution, PiiComm provided exceptional knowledge and expertise. PiiComm's guidance made the project successful"

—Bill Gu,
Eastlink
